   b. Karakteristik Papan Flanel ....................................................................... 15

x
c. Materi Huruf hijaiyah Pada Papan Flanel .......................... 17

4. Meningkatkan Kemampuan Belajar Anak .......................... 19
   a. Pengertian Kemampuan Belajar ................................ 19
   b. Ciri-Ciri Belajar .................................................... 21
   c. Prinsip-Prinsip Belajar ............................................ 22

5. Faktor Pendukung dan penghambat .................................. 23
   a. Faktor Pendukung .................................................. 23
   b. Faktor penghambat ................................................ 23

6. Dampak Penggunaan Metode menempel Huruf Hijaiyah ......... 23

B. Hasil Penelitian Terdahulu ........................................... 24
C. Kerangka Berfikir ...................................................... 26
D. Pertanyaan Penelitian .................................................. 28

BAB III METODE PENELITIAN
   A. Jenis dan Pendekatan Penelitian .................................. 31
   B. Setting Penelitian .................................................... 32
   C. Subyek Penelitian .................................................. 32
   D. Sumber Data .......................................................... 32
   E. Teknik Pengumpulan Data ........................................... 34
   F. Uji keabsahan Data .................................................. 35
   G. Analisis data .......................................................... 38

BAB IV HASIL PENELITIAN PEMBAHASAN
   A. Gambaran Umum PAUD Al-Ilyas Babalan Wedung Demak ........ 42
      1. Sejarah dan Perkembangan PAUD Al-Ilyas ................... 42
