DAFTAR TABEL....................................................................................................................xiii

BAB I PENDAHULUAN
A. Latar Belakang Masalah .................................................................................................1
B. Fokus Penelitian ............................................................................................................4
C. Rumusan Masalah .........................................................................................................5
D. Tujuan Penelitian .........................................................................................................5
E. Manfaat Penelitian .......................................................................................................5
F. Sistematika Penulisan ..................................................................................................6

BAB II KAJIAN PUSTAKA
A. Deskripsi Teori
   1. Guru ..........................................................................................................................8
      a. Pengertian Guru ......................................................................................................8
      b. Tugas Guru ...........................................................................................................9
      c. Peran Guru ..........................................................................................................12
      d. Kompetensi Guru ...............................................................................................14
   2. Tunarungu ................................................................................................................17
      a. Pengertian Anak Berkebutuhan Khusus ...............................................................17
      b. Pengertian Tunarungu .........................................................................................18
      c. Klasifikasi Tunarungu .......................................................................................20

x
d. Faktor-faktor Penyebab Tunarungu.........................................21

3. *Self Confidence* (Kepercayaan Diri)........................................22
   a. Pengertian *Self Confidence* (Kepercayaan Diri) ...............22
   b. Jenis *Self Confidence* (Percaya Diri).............................25
   c. Ciri-ciri Individu yang Memiliki Rasa Percaya Diri...........26
   d. Faktor-faktor yang Mempengaruhi *Self Confidence* Individu ..27

4. Pendidikan Agama Islam .........................................................28
   a. Pengertian Pendidikan Agama Islam ..............................28
   b. Fungsi Pendidikan Agama Islam ................................29
   c. Tujuan Pendidikan Agama Islam ................................30

B. Hasil Penelitian Terdahulu ......................................................31

C. Kerangka Berfikir .................................................................33

BAB III METODE PENELITIAN
A. Jenis Penelitian ........................................................................36
B. Pendekatan Penelitian .............................................................36
C. Lokasi Penelitian .......................................................................37
D. Teknik Pengumpulan Data .......................................................37
E. Uji Kredibilitas Data ...............................................................39
F. Teknik Analisis Data ...............................................................40

BAB IV HASIL PENELITIAN DAN ANALISIS DATA
A. Gambaran Umum SMALB Bina Citra Pati
   1. Sejarah Berdirinya SMALB Bina Citra Pati .......................43
   2. Letak Geografis ...............................................................44
   3. Profil Sekolah ..................................................................45
   4. Visi, Misi dan Tujuan SMALB Bina Citra Pati .................45
   5. Keadilan Guru dan Keadilan Peserta Didik .......................46
   6. Sarana dan Prasarana .....................................................48
   7. Struktur Organisasi SMALB Bina Citra Pati .....................49

B. Deskripsi Data Hasil Penelitian
   1. Upaya Guru dalam Membangun *Self Confidence* Siswa Tunarungu di SMALB Bina Citra Pati ........................................51
2. Faktor pendukung dan Faktor Penghambat Guru dalam Membangun Self Confidence Siswa Tunarungu di SMALB Bina Citra Pati ...............56

C. Analisis Data
1. Analisis Upaya Guru dalam Membangun Self Confidence Siswa Tunarungu di SMALB Bina Citra Pati ..................................63
2. Analisis Faktor pendukung dan Faktor Penghambat Guru dalam Membangun Self Confidence Siswa Tunarungu di SMALB Bina Citra Pati .........................................................................................66

BAB V PENUTUP
1. Simpulan ....................................................................................73
2. Saran ..........................................................................................74
3. Penutup ......................................................................................74
