BAB I : PENDAHULUAN
A. Latar Belakang Masalah ..................................................... 1
B. Penegasan Istilah ............................................................... 10
C. Ruang Lingkup dan Batasan Penelitian .............................. 11
D. Rumusan Masalah ............................................................. 12
E. Tujuan Penelitian .............................................................. 12
F. Manfaat Penelitian ............................................................ 13
G. Sistematika Penulisan ....................................................... 14

BAB II : LANDASAN TEORI
A. Kualitas Produk ............................................................... 15
   1. Pengertian Kualitas Produk ......................................... 15
   2. Tingkatan Produk ........................................................ 17
   3. Dimensi Kualitas Produk ............................................. 17
B. Promosi ............................................................................. 19
   1. Pengertian Promosi ..................................................... 19
   2. Jenis-jenis Promosi ..................................................... 20
   3. Promosi Syariah .......................................................... 20
BAB II: MEDIA SOSIAL

1. Pengertian Media Sosial .................................................... 22
2. Peranan Periklanan di Internet ........................................... 24
3. Daya Tarik Internet Marketing ........................................... 25

BAB III: METODE PENELITIAN

A. Jenis dan Pendekatan Penelitian ........................................ 38
B. Sumber Data ......................................................................... 39
C. Populasi dan Sampel Penelitian ........................................... 40
D. Teknik Pengumpulan Data ................................................... 41
E. Definisi Operasional Variabel .............................................. 42
F. Teknik Analisis Data ............................................................. 45
   1. Uji Validitas dan Reliabilitas Instrumen ............................... 45
   2. Uji Asumsi Klasik .............................................................. 46
      a. Uji Multikolinieritas ..................................................... 46
      b. Uji Autokorelasi .......................................................... 46
      c. Uji Heteroskedastisitas ............................................... 46
      d. Uji Normalitas ............................................................ 47
   3. Analisis Data ..................................................................... 47
      a. Menghitung Analisis Determinan ................................... 47
b. Uji Signifikansi Parameter Individu (Uji Statistik t) .......................................................... 47
c. Uji Signifikansi Simultan F ........................................... 48
d. Analisis Regresi Berganda ................................. 48

BAB IV : HASIL PENELITIAN DAN PEMBAHASAN

A. Gambaran Umum Objek Penelitian .................... 50
   1. Gambaran Umum STAIN Kudus ...................... 50
      a. Sejarah Singkat STAIN Kudus .................. 50
      b. Tugas Pokok, Fungsi dan Tujuan STAIN Kudus ... 52
c. Visi dan Misi STAIN Kudus ............................. 55
d. Struktur Organisasi STAIN Kudus ................. 55

2. Gambaran Umum PT. Oriondo Alam Ayu atau Oriflame ................................. 58
   a. Sejarah Oriflame ...................................... 58
   b. Visi dan Misi Oriflame ............................... 59
c. Nilai Utama Oriflame ................................. 60
d. Keunggulan Produk Oriflame ....................... 60
e. Tanggung Jawab Global .............................. 61
f. CSR (Corporate Social Responsibility) .................. 62
g. Situs Oriflame .......................................... 63

B. Gambaran Umum Responden ........................... 65
   1. Deskripsi Identitas Responden .................... 65
      1) Umur Responden ................................. 65
      2) Jenis Kelamin ....................................... 65
      3) Pendidikan Terakhir ................................ 66
      4) Alamat ............................................. 67
      5) Pendapatan ........................................ 67

2. Deskripsi Responden ..................................... 68
   1. Variabel Kualitas Produk (Variabel X1) ........... 69
   2. Variabe Promosi (Variabel X2) .................. 70
   3. Variabel Keputusan Pembelian (Variabel Y) ..... 72
C. Hasil Uji Validitas dan Reliabilitas Instrumen ................................. 73
D. Hasil Uji Asumsi Klasik ................................................................. 75
   1. Uji Multikolinieritas ................................................................. 75
   2. Uji Autokorelasi ................................................................. 76
   3. Uji Heteroskedastisitas ......................................................... 77
   4. Uji Normalitas ................................................................. 78
E. Analisis Data ..................................................................................... 80
   1. Koefisieni Determinasi ................................................................. 80
   2. Hasil Uji Signifikansi Parameter Individu (Uji Statistik t) ................................. 81
   3. Hasil Uji Statistik F ................................................................. 83
   4. Analisis Regresi Berganda ................................................................. 84
F. Pembahasan Hasil penelitian ................................................................. 85
G. Implikasi Penelitian ................................................................. 90

BAB V: PENUTUP
A. Kesimpulan ..................................................................................... 93
B. Keterbatasan Penelitian ................................................................. 94
C. Saran ................................................................................................. 94
D. Penutup ................................................................................................. 95
