## BAB I : PENDAHULUAN

A. Latar Belakang ................................................................. 1
B. Fokus Penelitian ............................................................... 6
C. Rumusan Masalah ................................................................. 7
D. Tujuan Penelitian ............................................................... 7
E. Manfaat Penelitian ............................................................. 8
F. Sistematika Penulisan ........................................................ 8

## BAB II : LANDASAN TEORI

A. Faktor Personal ................................................................. 11
   1. Pengertian Faktor Personal ............................................. 11
   2. Faktor-faktor Yang Mempengaruhi Kewirausahaan ... 11
B. Relasi Sosial ................................................................. 15
   1. Pengertian Relasi Sosial ................................................. 15
   2. Faktor-faktor Yang Mempengaruhi Kewirausahaan ... 15
C. Pembelajaran Kewirausahaan .............................................. 17
   1. Pengertian Pembelajaran Kewirausahaan ....................... 17
BAB III : METODE PENELITIAN
A. Jenis dan Pendekatan Penelitian ........................................ 32
B. Sumber Data Penelitian ...................................................... 32
   1. Data Primer ................................................................. 32
   2. Data Sekunder ............................................................. 33
C. Populasi dan Sample Penelitian ........................................... 33
D. Tata Variabel Penelitian ..................................................... 34
E. Teknik Pengumpulan Data .................................................. 34
   1. Metode Kuesioner ......................................................... 34
   2. Metode Observasi ......................................................... 35
F. Definisi Operasional ........................................................... 35
G. Metode Analisis Data ......................................................... 37
   1. Uji Validitas dan Reliabilitas .......................................... 38
      a. Uji Validitas ............................................................ 38
      b. Uji Reliabilitas ......................................................... 38
   2. Uji Asumsi Klasik .......................................................... 39
      a. Uji Multikolinieritas .................................................. 39
      b. Uji Autokorelasi ....................................................... 39
      c. Uji Heteroskedastisitas ............................................. 40
      d. Uji Normalitas .......................................................... 40
H. Teknik Analisis Data.......................................................... 41
  1. Analisis Regresi Berganda ........................................... 41
  2. Koefisien Determinasi ($R^2$) .................................... 41
  3. Uji-t (parsial) .......................................................... 42

BAB IV : HASIL ANALISIS DAN PEMBAHASAN
A. Deskripsi Objek Penelitian ........................................... 43
  1. Sejarah STAIN Kudus .................................................. 43
  2. Tugas Pokok, Fungsi, dan Tujuan STAIN Kudus .......... 46
  3. Struktur Organisasi STAIN Kudus ............................... 48
  4. Visi dan Misi STAIN Kudus ........................................ 51
B. Deskripsi Identitas Responden ....................................... 51
  1. Jenis Kelamin Responden .......................................... 52
  2. Usia Responden ...................................................... 52
  3. Umur Usaha Responden ............................................. 53
C. Deskripsi Data Penelitian ............................................. 54
D. Uji Validitas dan Reliabilitas Instrumen ......................... 57
  1. Uji Validitas Instrumen ............................................. 57
  2. Uji Reliabilitas Instrumen ......................................... 59
E. Uji Asumsi Klasik ....................................................... 59
  1. Uji Multikolinieritas ................................................ 59
  2. Uji Autokorelasi ..................................................... 60
  3. Uji Heteroskedastisitas ............................................ 61
  4. Uji Normalitas ........................................................ 62
F. Teknik Analisis Data .................................................. 64
  1. Analisis Regresi Berganda ......................................... 64
  2. Uji Koefisien Determinasi ($R^2$) ............................... 66
  3. Uji-t (parsial) ........................................................ 67
G. Pembahasan dan Analisis ............................................. 68
BAB V : PENUTUP
A. Kesimpulan ................................................................. 72
B. Saran-saran ................................................................. 73
C. Penutup .............................................................................. 73
