HALAMAN DAFTAR TABEL ...................................................................................................... xiii

BAB I : PENDAHULUAN
A. Latar Belakang ........................................................................................................................... 1
B. Rumusan Masalah ..................................................................................................................... 7
C. Tujuan Penelitian .................................................................................................................... 8
D. Manfaat penelitian .................................................................................................................. 8
E. Sistematika Penulisan .............................................................................................................. 8

BAB II : TINJAUAN PUSTAKA
A. Tinjauan umum tentang Wali ................................................................................................ 10
1. Pengertian Wali ...................................................................................................................... 10
2. Syarat-syarat wali nikah ......................................................................................................... 12
3. Kedudukan Wali ................................................................................................................... 14
4. Macam-macam Wali .............................................................................................................. 16
B. Tinjauan umum tentang Wakalah .......................................................................................... 19
1. Pengertian Wakalah ............................................................................................................... 19
2. Rukun dan Syarat Wakalah .................................................................................................. 23
C. Penelitian Terdahulu ............................................................................................................. 25
D. Kerangka Berfikir ................................................................................................................ 30
BAB III : METODE PENELITIAN
A. Jenis Penelitian ................................................................. 31
B. Sumber Data ........................................................................ 32
C. Teknik Pengumpulan data .................................................. 33
D. Analisis Data ....................................................................... 33

BAB IV : HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian ................................................................. 35
   1. Gambaran Umum Lokasi Penelitian .................................. 35
      a. Letak Geografis ........................................................... 35
      b. Demografis ................................................................. 37
      c. Keadaan Sosial Ekonomi .............................................. 42
      d. Gambaran Subyek Penelitian ..................................... 46
B. Deskripsi Data ....................................................................... 47
   1. Dampak Sosiologis Terhadap Wakalah Wali yang ada di Desa Jepang Pakis Kecamatan Jati Kabupaten Kudus ................... 47
   2. Dampak Psikologis Terhadap Wakalah Wali yang ada di Desa Jepang Pakis Kecamatan Jati Kabupaten Kudus ................... 53
C. Analisis Data ....................................................................... 57
   1. Analisis Dampak Sosiologis Terhadap Wakalah Wali yang ada di Desa Jepang Pakis Kecamatan Jati Kabupaten Kudus .......... 57

BAB V : PENUTUP
A. Kesimpulan ....................................................................... 64
B. Saran .................................................................................. 65
C. Penutup ............................................................................... 65
